

## LIST OF CLINICAL PRIVILEGES – ORTHOPEDIC SURGERY

**AUTHORITY:** Title 10, U.S.C. Chapter 55, Sections 1094 and 1102.

**PRINCIPAL PURPOSE:** To define the scope and limits of practice for individual providers. Privileges are based on evaluation of the individual's credentials and performance.

**ROUTINE USE:** Information on this form may be released to government boards or agencies, or to professional societies or organizations, if needed to license or monitor professional standards of health care providers. It may also be released to civilian medical institutions or organizations where the provider is applying for staff privileges during or after separating from military service.

**DISCLOSURE IS VOLUNTARY:** However, failure to provide information may result in the limitation or termination of clinical privileges

### INSTRUCTIONS

**APPLICANT:** In Part I, enter Code 1, 2, or 4 in each REQUESTED block for every privilege listed. This is to reflect your current capability. Sign and date the form and forward to your Clinical Supervisor

**CLINICAL SUPERVISOR:** In Part I, using the facility master privileges list, enter Code 1, 2, 3, or 4 in each VERIFIED block in answer to each requested privilege. In Part II, check appropriate block either to recommend approval, to recommend approval with modification, or to recommend disapproval. Sign and date the form and forward the form to the Credentials Office.

**CODES:** 1. Fully competent within defined scope of practice.

2. Supervision required. (Unlicensed/uncertified or lacks current relevant clinical experience).

3. Not approved due to lack of facility support. (Reference local facility privilege list. Use of this code is reserved for the Credentials Committee/Function.)

4. Not requested/not approved due to lack of expertise or proficiency, or due to physical disability or limitation.

**CHANGES:** Any change to a verified/approved privileges list must be made in accordance with Service specific credentialing and privileging policy.

**NAME OF APPLICANT:**

**NAME OF MEDICAL FACILITY:**

**ADDRESS:**

I Scope		Requested	Verified
<b>P384294</b>	The scope of privileges in orthopedic surgery includes the evaluation, diagnosis, treatment and consultation for patients of all ages to correct or treat various conditions, illnesses, and injuries of the extremities, spine, and associated structures by medical, surgical, and physical means. Such conditions include, but are not limited to, trauma, infections, tumors, metabolic disturbances of the musculoskeletal system; deformities, injuries, fractures, and degenerative diseases of the musculoskeletal system; primary and secondary muscular problems; and the effects of central or peripheral nervous system lesions on the musculoskeletal system. Orthopedic surgeons may admit to the facility and provide care to patients in the intensive care setting in accordance with MTF policies. They may also assess, stabilize, and determine the disposition of patients with emergent conditions consistent with medical staff policy.
