

Straumann Drill Sets/Stops Used w/ 4.8 mm Diameter Implants (Model 040.447S) / Institut Straumann Field Safety Notice (12/14)

Reason/Information:

Institut Straumann issued an Urgent Field Safety Notice on the following materiel (See Image on Message under Additional Documentation/Attachment). Reason: Institut Straumann has received a customer complaint reporting that the materiel compatible for D 4.8mm Implant, with certain lots affected, contains a green color coded drill which is incorrectly D3.5mm in diameter instead of D4.2mm.

Disposition/Instructions:

Check inventory. If customers have the affected materiel return it for credit or replacement as indicated on the customer confirmation form. If customers have used the affected materiel, no additional action is required. For both cases complete and return the customer confirmation form. For general questions or to obtain a customer confirmation form call 978-747-2575.
