

DECS E-mail Notification Service (5/08)

The USAF Dental Evaluation & Consultation Service (DECS) routinely posts new information on the Web site at the beginning of each month. The best way to stay abreast of new information posted on the DECS Web site is to sign up for e-mail notification. Subscribers to this service will receive a short e-mail message notifying them of new postings. If you are interested in this service, please visit the [DECS home page](#) and click on E-MAIL NOTIFICATION. If you wish to unsubscribe, just notify us and we will remove you from our e-mail list.
