

2013 PLANMECA GOVERNMENT TRAINING

PLANMECA

X-Ray Service technician Planmeca USA, Inc. is proud to offer training for all Planmeca service technicians. Training is conducted at our Roselle, Illinois location. Following is a brief description of training and dates. If you have any questions regarding scheduling or training arrangements, please contact Michelle Bottino at michelle.bottino@planmecausa.com or by phone 630-523-7839.

Course Description:

X-ray Service/Repair Technician Training

This 3-day training is designed for service technicians that work with Planmeca X-ray equipment in the field. The training includes how to transport equipment properly, perform beam alignment, capture calibration files, perform annual maintenance, and troubleshoot the equipment. There is also a section on how to install and troubleshoot using the Planmeca's driver software.

The final exam must be passed with 60% or higher to receive certification.

This training specifically covers the digital Planmeca 2D ProMax Panoramic or Pan/Ceph and Planmeca Intra Oral X-Ray Units. – If your facility has other Planmeca equipment, please call so that we may schedule a class more suited to your needs.

Important Additional Information for all attendees:

- ❑ **Planmeca** will reserve and pay hotel accommodations for the night prior to training and the duration of the training. Any additional nights are the responsibility of the attendee.
- ❑ **Planmeca** will arrange for transportation from the hotel to our facility and back.
- ❑ Trainees are responsible for all other transportation including airfare and taxi services.
- ❑ The best taxi rates are through **American Taxi 1-800-244-1177**
- ❑ The trainee will need to arrange their own pick up from the airport to the Hilton Indian Lakes resort in Bloomingdale, IL.
- ❑ **Planmeca** does not cover incidental expenses.
- ❑ The trainees should arrive the evening before the training and departure time should be no earlier than 7:00 pm of the last day of training. Additional nights are not covered by Planmeca.

Meals:

- ❑ **Planmeca** will provide a Breakfast coupon for use at the hotel given at check-in.
- ❑ **Planmeca** provides lunch during the training in our facility.
- ❑ **Planmeca** will cover up to \$30.00 per night for dinner at the hotel on the nights covered by Planmeca. This is a credit which will be applied to your hotel bill. Dinner is not included on the last night of training as most trainees are returning home.

**Classes are offered Monthly.
Class Schedule is located on Page 2.**
