

## USAF Dental Evaluation & Consultation Service

### IT Support Contact added to DECS Web site (10/12)

DECS is pleased to announce that a new "IT Support Contact" has been added on the DECS Staff section of the DECS Web site. This link will initiate an email to DECS personnel who will then route the message to the appropriate agency for resolution. In addition, a new link has been added on the DECS Staff section of the Web site for "Director, Information Technology" which will initiate the same process.
