

## **DECS Public Website HAS Moved! (4/13)**

As of 1 April 2013, the airforcemedicine public website site which the DECS Public Website falls under will no longer exist. Per the AF Public Affairs Agency (AFPAA) guidance, AFI 35-107, Public Web Communication, organizations requiring a public site will need to transfer their public content to the Air Force Public Information Management System (AFPIMS) as the official AF Public Affairs system for public websites.

Since the DECS public site is managed by the airforcemedicine.afms.mil site, it will be moving to the AFMS ([www.afms.af.mil](http://www.afms.af.mil)) public site on 1 Apr 2013, which is managed by AFPIMS. This transition requires DECS to create a whole new public site in a very short period of time. Once the site is up and running by mid May 2013, there may be a couple hiccups that will need fine tuning, so we ask for your patience during this transition time. As always, we are here to serve and are working very diligently to make this as seamless as possible. Come join us at [www.afms.af.mil/decs](http://www.afms.af.mil/decs). Thank you. Your DECS Team.
