New Kx DECS Website Address! (11/13)

As of Aug 2013, the Knowledge Exchange (Kx) website changed to a new SharePoint platform. As a result, the DECS site on the Knowledge Exchange has a new website address. The new address is <https://kx2.afms.mil/kj/kx2/DECS>. The Legacy Kx web address <https://kx.afms.mil/decs> IS NO LONGER VALID.

The new platform requires everyone have a membership. To apply please go to <https://auth.afms.mil/sso/Membership.do>, fill in the form then press apply. Once you have a valid membership you can go to the DECS site and click Add KJ to My Shortcuts to have it show up as a favorite on the Kx home page whenever you login.

As always, we are here to serve and are working very diligently to make this as seamless as possible.

Thank You,

Your DECS Team
