

Hit the ground running!

DENTAL INFECTION CONTROL BOOT CAMP™
The Best of Infection Control Basic Training
January 11-14, 2016 in Atlanta, GA

Overview

The OSAP Dental Infection Control Boot Camp™ is a core educational course covering all the basics in infection prevention and safety. The OSAP Boot Camp is a crucial building block for every dental professional with infection control responsibilities.

Up to 28 hours of CE Credit plus a comprehensive resource binder, checklists, toolkits and much more.

Program

National and international experts in infection prevention and patient safety will deliver a fast-paced, comprehensive curriculum. The course starts at 8 am on Monday, January 11 and concludes at 12 pm on Thursday, January 14 for Federal Service attendees. Information on the faculty, agenda, venue, transportation and other details are at www.osap.org.

ATTENDEES

- This course is targeted to:
- Federal Service Personnel responsible for infection control in their duty stations
 - Infection control coordinators
 - Educators
 - Compliance officers
 - Consultants
 - Sales representatives

EXHIBITORS
