

## New Laboratory Products

Whip Mix recently unveiled the newest line of **Digital Wax Carving Pencils** (single-line, dual-line, dual-line touch pencil). According to Whip Mix, all options for the Digital Wax Carving Pencils have built-in circuitry to accurately maintain desired temperature. The silicone cool-grip handle reportedly reduces hand fatigue and temperature transfer. Previous working temperatures can be stored in the memory which is designed to make carving and waxing more efficient. Other features included are digital temperature display in either Celsius or

Fahrenheit scales, 115V or 230V options, and a translucent compartment in the rear of the unit to store carving tips (Note: this feature is not included with the Digital Wax Carving Pencil – dual line). Both dual-line circuit units reportedly are designed for simultaneous work, minimal temperature deviation, and include a convenient magnetic cradle on the unit's surface. The manufacturer states waxing tips vary depending on the type of unit selected and each unit comes with a two-year warranty.

**Digital Wax Carving Pencil- Dual**

Item	Item#	Suggested Retail Price	Government Price
Digital Wax Carving Pencil – Single (115V)	10157	\$199.95	\$138.92
– Single (230V)	10257		
Digital Wax Carving Pencil – Dual (115V)	10150	\$349.95	\$236.82
– Dual (230V)	10250		
Digital Wax Carving Touch Pencil (115V)	10155	\$429.95	\$288.79
Digital Wax Carving Touch Pencil (230V)	10255

The **Electric Heating Tool** is a specially designed surveying attachment available from Whip Mix. It reportedly can be used with a variety of milling machines and surveyors for precise waxing designs (surveyed crowns, guideplanes). There are five tips available for 0° (thin), 0° (thick), 2°, 4°, and 6° purportedly designed to permit excellent heat conductivity. Each Electric Heating Tool plugs into and operates with a Whip Mix electric waxer to control the heating temperature (Note: electric waxer not included). The Electric Heating Tool is available for \$247.70 (suggested retail) and \$169.39 (government).
