25. I understand that the GME training received is directed toward board certification. I am familiar with the training requirements for board certification in the specialty for which I have applied. It is understood that I must enter a program that is accredited and listed in good standing in the most current Graduate Medical Education Directory published by the American Medical Association or if applicable (generally PGY-1 level of GME) by the most current Yearbook and Directory published by the American Osteopathic Association. I understand that I must also meet the requirement to sit for the certification examination by the respective specialty board which is recognized by the American Board of Medical Specialties. For those subspecialties which do not lead to board certification nor accreditation status, training must be received in an program approved by the appropriate specialty society. I understand that my service obligation following schooling will be computed in accordance with applicable Service regulation and DoD Directives and that I will be made aware of my exact obligation prior to entering GME training. I acknowledge that I understand the contents of this application and I affirm that the information given in this application is true and complete to the best of my knowledge. I am aware that I must submit all supporting documents required by the military Service for which I am assigned for this application to be complete.
