RESERVE COMPONENT HEALTH RISK ASSESSMENT (RCHRA) COMPLETION – ALL HPSP GRADUATING MEDICAL STUDENTS, DEFERRED GME & FAP MEMBERS APPLYING TO JGMESB

<u>IMPORTANT:</u> THE RCHRA IS NOT REQUIRED IF YOU ARE ALREADY ON ACTIVE DUTY IN A MILITARY TREATMENT FACILITY AS AN INTERN OR GMO

All members completing medical school in HPSP status, deferred GME or FAP residencies and applying to the JGMESB are required to complete a Health Status Recertification prior to being able to enter extended active duty training. To facilitate this health status recertification the Air Force uses the Reserve Component Health Risk Assessment (RCHRA) form. A blank RCHRA form can be found in the Other Resources section of the <u>Physician Education website</u>.

This is a self-reporting form and does <u>NOT</u> require a physician's signature on page 4. The AFPC Medical Retention Standards team will contact you via email if additional medical documentation/information/records are required.

RCHRA forms must be submitted through your myFSS account (instructions below) no later than <u>30 September</u> to ensure the review/completion of all medical clearances prior to the Joint Graduate Medical Education Selection Board (JGMESB). Upload through the myFSS account will ensure safe transmission of your PHI/PII. **DO NOT UPLOAD THIS FORM INTO MODS AS IT WILL BE DELETED.**

<u>ALL QUESTIONS</u> regarding the submission of your RCHRA/medical records must be directed to the Medical Retention Standards team (<u>AFPC.DPMNR.MedRetStandards@us.af.mil</u>). All other GME questions are to be directed to the Physician Education team (<u>afpc.dpmnp.physicianeducation@us.af.mil</u>).

Document Requirements:

- -Use fillable Adobe RCHRA form, if possible
- -If not using fillable RCHRA form, type or use good quality BLACK ink pen and write legibly
- -You must provide an actual signature on page 4.
- -A physician's signature/physical is **<u>NOT</u>** required.
- -Ensure pages are scanned at a resolution that provides a clear copy, at least 400 dpi.
- -Ensure the documents are facing the correct direction when scanning to prevent blank pages.

-Scan all pages as a single document. Scanning each page individually increases the download time. If you must break up the documents, please label the documents as indicated below with numbering to ensure everything is received; example, RCHRA_ADAMS_K_1of 3, RCHRA_ADAMS_K_2 of 3, etc.

-Review the pages you are submitting to ensure you have completed all fields (including subquestions) of the form, including your signature and date on page 4 and that the document is 100% clear and legible. If the copies appear fuzzy, distorted, dark, or faint please redo/rescan them. -Poor quality forms that are not 100% accurate/legible will be rejected and may delay processing. -Ensure you comply, in a timely manner, with any/all requests for additional information and documentation.
